Contests

Wiesental School, East Building, Baar

The Wiesental School in Baar was adapted to today's requirements by means of a replacement building. The project, implemented using modern timber construction methods and featuring a mega timber framework, combines functionality and aesthetics., Baar

Wohnüberbauung Du Lac, St. Moritz

Timbatec bringt Kompetenzen für Wohnbaukonzept im Engadin ein. BGP, Mierta und Kurt Lazzarini Architekten und Timbatec Holzbauingenieure Schweiz AG gewinnen das Planerwahlverfahren für das Wohnhaus Du Lac in St. Moritz., St. Moritz

Kindergarten Maria Gugging, Klosterneuburg

Für den Neubau des Kindergarten Maria Guggin wurde ein EU-weiter, offener, einstufiger Realisierungswettbewerb mit anschließendem Verhandlungsverfahren für die Vergabe von Generalplanerleistungen ausgelobt. Timbatec hat Steinkogler Aigner Architekten ZT GmbH unterstützt., Klosterneuburg

Complexe scolaire et sportif, Champagne

With the King Kong project, fesselet kramulz architectes from Vevay won the competition for the Champagne school and sports facility in the canton of Vaud. The wooden building with a charred "Yakisugi" facade was able to convince the Juri., Champagne

Circular Tower, Burgdorf

With the CircularTower project, circular construction is researched and made tangible in the form of a real laboratory. Companies, educational and research institutions as well as associations will occupy the future CircularTower together with TeCLab., Burgdorf

School facility, Romont

Deillon delley architectes have won the competition for the construction of a school, a double hall and a special gymnasium in Romont. The project "Silva" by Atelierpulver Architectes in collaboration with Timbatec is among the finalists., Romont

Here comes the sun, Bern

Where waste was once incinerated on the outskirts of Bern, a new neighborhood is now being built. A timber construction wins the architectural competition for the U1 building site with 350 apartments., Bern

Retirement apartments, Breitenegg, Kölliken

The former mansion of the industrialist family Matter in Kölliken, Aargau, is being replaced. Together with k a t h r i n s i m m e n Architekten ETH SIA, Zurich, we win 1st prize in the study commission "Retirement apartments Areal Breitenegg"., Kölliken

EAST-WEST, Bern

The former fire department barracks were built in 1935/36 by Hans Weiss and extended in 1957 by the same architect with a hall building. Until the fire department moved out at the end of 2014, the facility served the active fire department. The project East-West with two clever new buildings lead the fire department Victoria in old splendor into the future. The project won the 3rd place., Bern
